Remarks

Welcome to this terrific villa, a stone's throw from Gulf Gate Village, tastefully remodeled and ready for quick move in. A bonus is the new a/c added in 2024 and no damage from the recent storms. The kitchen has wood cabinets, hard surface counters and stainless steel appliances with a handy pantry plus a wine cooler offering abundant storage. Neutral soothing colors and tile floors for ease of care. Open plan with Florida room looking out to a sizable brick terrace just meant for relaxing with your morning coffee or favorite libation while creating a feast on your personal grill. A spacious two car garage with attic for plenty of room for all your possessions. Walk in closets in both bedrooms and spacious baths for your comfort. This is a quiet neighborhood with lovely pool area to enjoy a refreshing swim. All this is just a few minutes to Siesta Beach, shopping and restaurants. Convenient to everything.
